Workplace Diversity in the 21st Century

Wednesday, January 20, 2016 | 1:00 – 2:30 p.m.

PRESENTED BY:
Honey Stempka-CEO & Founder, Undo Undone
Does Your Team Look Like This?
Workplace Facts

True

False
Diversity means all the ways we differ as individuals. It includes visible differences such as age, gender, ethnicity and physical appearance; as well as underlying differences such as thought styles, religion, nationality, socio-economic status, belief systems, sexual orientation and education. It means respecting, valuing and harnessing the richness of ideas, backgrounds and perspectives that are unique to each individual, i.e. a new worldwide source of creativity.

-American Society of Mechanical Engineers
Workplace Diversity

There is more there than meets the eye…
Words to Know

Stereotype

An oversimplified belief about a group of people, disregarding individuality.
Words to Know

Prejudice

Bias
